Bishamon Pneumatic Rotating Pallet Positioner

- EZ Adjust knob is a three position knob that allows adjustment of the collapsed capacity without changing the air pressure
- Allows easy pallet rotation for near-side loading so the worker does not have to reach or strain
- As the load weight changes, the EZ Loader automatically adjusts, keeping the top of the load at a convenient working height
- Lift Capacity: 110-1800kg
- Lifting Range: 267-775mm
- Base Frame Size (WxL): 617x1245mm
- Unit Weight: 172kg
