

## Drum Bunded Trolley

The Drum Bunded Trolley is a safe and efficient solution for transporting drum containers up to 205L while containing minor leaks and spills. Built with a durable polyethylene body and a strong stainless steel handle, it's designed for long-lasting performance and easy manoeuvrability. It features four 100mm castors, with two that lock securely in place for added stability, allowing smooth movement even in tight spaces. Ideal for warehouses, factories, and industrial sites, it provides a reliable and spill-safe way to handle heavy drums.

- Handle is removable, transforming the Trolley into a Dolly (if required)
- Material: PE (Bunded Trolley Body) Stainless Steel (Handle)

Code	Load Capacity (kg)	Spill Capacity (L)	Castors (mm)	Overall Size LxWxH (mm)	Unit Weight (kg)
