

## Double Wheelie Bin Tipper Forklift Attachment

- Designed to tip one or two standard 240L plastic wheelie bins at a full 180° rotation
- Integrated ramp makes it easy to roll bins directly into position
- Safety chain and backrest keep bins stable and secure during operation
- Forklift driver can control the tipping action directly from their seat
- Slip-on design enables fast and hassle-free forklift attachment
- Can be modified to suit 120L plastic wheelie bin configurations
- Ideal for manufacturing, industrial, and general waste management environments
- Zinc-plated for added corrosion resistance and long-term durability
- Load Centre: 1200mm
- Tipping Angle: 180°
