

Lightweight Plastic Wheel Chock

The Lightweight Plastic Wheel Chock helps secure vehicles and equipment during parking maintenance. Made from tough plastic that resists oil and fuel, with strong base grips and an easy carry handle, it provides stable support for a wide range of vehicles.

- Strong rubber grips on base to prevent slipping
- Made from strong, moulded plastic to handle heavy use
- Resists damage from oil, fuel, and other solvents
- Safety-yellow colour for high visibility
- Recessed handle on the back of chock for easy carrying
- Mounting hole for attaching ropes, chains, or brackets
- Built to support service trucks and other heavy-duty vehicles
- Also suitable for securing trailers, caravans, boats, and other vehicles with wheels
- Material: Polyethylene Plastic
- Colour: Safety Yellow
