

Work Trestle (5 Tonne)

The Work Trestle is a strong and stable steel support stand built for heavy-duty industrial use with a 5 tonne capacity. Its solid construction and wide beam design provide reliable support for large and uneven loads. The adjustable legs offer flexibility for different applications, while bolt-on end stoppers prevent items from rolling off, a rubber top helps keep items from sliding or vibrating. A durable powder coated finish with zinc inner legs ensures long-lasting performance. Easy to assemble and engineered to meet Australian Standards, it's ideal for workshops, factories, & job sites.

- Heavy-duty steel construction
- Finish: Powder Coated Paint Finish & Zinc Inner legs
- Height-adjustable legs with 100mm hole increments (600–800mm range)
- Includes bolt-on rubber top and end stoppers to keep items in place
- Available with lockable castors for a mobile solution around sites
- Easy to assemble - Bolt together design for easy storage or transport
- Designed and engineered to relevant Australian Standards
- Painted finish to provide a hard wearing, long lasting finish
