

Magnetic Whiteboards

The Verdex Whiteboard range provides a practical communication solution for offices, classrooms, training rooms, meeting areas, warehouses and commercial or industrial environments. Available in two sizes with mobile and wall-mounted options for different spaces and layouts. The range also includes optional whiteboard markers and magnetic erasers to complete your setup.

Standard Magnetic Whiteboards key features:

- Available in two sizes: 1200x900mm (V8271), 1800x1200mm (V8272)
- Magnetic vitreous enamel steel writing surface
- Durable, scratch-resistant finish
- Wall mountable in portrait or landscape orientation
- Reinforced honeycomb core with steel backing for added strength
- Full-length pen tray included

Mobile Magnetic Whiteboards key features:

- Available in two sizes: 1200x900mm (V8274), 1800x1200mm (V8275)
- Double-sided magnetic writing surface
- 360° rotating board for easy access to both sides
- Lockable castors for mobility and stable positioning
- Durable frame construction
- Includes marker tray, paper hooks and fixing kit

Optional accessories available:

- Whiteboard Marker Multi-Colour 4 Pack (V8276)
- Magnetic Whiteboard Eraser (V8277)
