

Metal Lockers

The Metal Locker range provides secure storage for schools, gyms, workplaces, and commercial environments. Available in 2-door and 4-door single column models, these steel lockers are designed for everyday use in high-traffic areas. Optional sloping tops and base stands are available to improve hygiene, safety, security, and cleaning access.

- Material: Steel
- Finish: Powder Coated (Light Grey Body with Blue Doors)
- Locker Maximum Load Capacity: 160kg
- Shelf Capacity: 35kg per locker compartment

V8472 & V8474 – Metal Lockers

- Locking system supports key or padlock security
- Internal rail and lower shelf for storing uniforms and belongings
- Wide door opening for easy access, fitted with low-profile handles
- Air vents built into the locker for circulation
- Label panel for clear user identification
- Suitable as individual units or installed together as a locker row
- Packed flat for straightforward delivery and setup

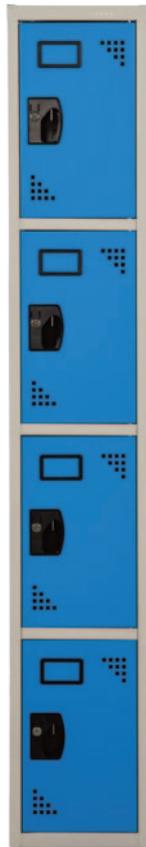

V8477 & V8478 – Locker Sloping Tops

- Angled top prevents items from being left above lockers
- Reduces dirt and dust collecting on flat surfaces
- Removes concealed storage areas for improved safety
- Gives lockers a cleaner and more finished look
- Shipped flat for simple fitting

V8479 & V8480 – Locker Base Stands

- Lifts lockers above floor level to reduce contact with water
- Creates space underneath for easier cleaning
- Provides a firm base to support grouped lockers
- Fitted with grip feet to limit sliding
