

Crowd Control Barrier

The Crowd Control Barrier is designed to manage access and guide both people and vehicles around work areas and controlled zones. Easy to connect and quick to set up. Suitable for temporary or permanent use at worksites, events, car parks, facilities, and areas where movement needs to be controlled.

- Used to warn and guide people around work areas
- Quick to set up for temporary or permanent use
- Barriers connect together using a simple hook & eye system
- Swivel feet help keep barriers stable on uneven surfaces
- Flat pack design makes storage and transport easy
- Material: PE - High-density polyethylene (HDPE) plastic
- Finish: UV stabilised
