

Forkliftable Sign Base & 60mm Post

The Forkliftable Sign Base & 60mm Post provides a stable and practical solution for mounting safety, traffic, and directional signage in industrial and commercial environments. Featuring a durable concrete-filled base and a 60mm post, it offers reliable support for permanent or semi-permanent sign installations. The forkliftable design allows easy relocation using forklifts or pallet handling equipment, making it suitable for warehouses, distribution centres, construction sites, car parks, and outdoor work areas.

With a Category B wind rating and integrated sign mounting capability, this system helps improve site safety, traffic management, and workplace communication while allowing flexible positioning as site requirements change.

- Suitable for Pallet Jack and Forklift Handling
- Concrete-Filled Construction
- Category B Wind Rating
- Integrated Stop Sign
- Material: Steel
- Finish: Powder coated
